2. Approximately 30 personnel from FDD and Acquisitions Branch, OCR, attended a lecture on "Geography of the Soviet Union" given by [REDACTED] both of ORR, on 16 November.

25X1A

3. Since the Credit Union will no longer be able to send a representative to [REDACTED] a member of the FDD Administrative Staff will henceforth handle Credit Union matters.

25X1A

25X1A

4. [REDACTED] was made available as [REDACTED] linguist for the North Pacific Fur Seal Conference held in Washington, D.C., beginning 26 November.

5. Deputy Chief, FDD, spoke on FDD operations at the Clandestine Services Review Course No. 9 on 21 November.

6. The division's overtime schedule was reduced 47 percent during November.

OPERATIONS

1. The 58th and 59th meetings of the Subcommittee on Exploitation of Foreign Language Publications were held 4 and 18 November, respectively, and were concerned with a review of the USSR, Eastern Europe, and Communist Far East programs. On the basis of the presentations of the Subcommittee members, FDD is undertaking to formulate a priority list of subjects for consideration by the Subcommittee. The next meeting will be held 2 December.

25X1A

2. At the request of Contact Division, a system was established whereby certain contributions from Contact sources would be specially indicated [REDACTED] so that these articles may easily be identified by Contact Division when providing information to the field.

SECRET

3. Reference to the CTS Index prevented 109 cases of duplication totaling 2485 pages. This represents a saving of more than \$12,000 for the month.

25X1A

4. At the request of the custodian of vital materials for CIA Library, [REDACTED] a list was prepared of the most important foreign-language periodicals for stacking in Vital Materials Repository.

5. Agreement was reached with CIA Library on types of FDD reports to be listed in the Intelligence Publications Index. Several of these have already been accepted for listing in the current Intelligence Weekly Summary.

6. Steps were taken through Liaison Division, OGR, for expansion of the CTS listings possibly available from the U. S. Weather Bureau and the Bureau of Standards of the Department of Commerce; from the Department of Interior; and from USIA.

7. By agreement with Departmental Records Branch, Office of the Adjutant General, designated FDD personnel have direct access for procurement of documents required for the WDP project. This eliminates a time-consuming two-way bottleneck of CIA Library processing.

8. Following consultation with the General Counsel, a new caveat to protect against possible suit for violation of copyright or for libel was provided for use on such FDD publications as may require it.

25X1A

9. The first receipts of Eastern Europe documents were received [REDACTED] on 3 November and have been continuing increasingly throughout the month.

10. A copy of the Inspector General's report on the survey of FDD was received for information and comment.

11. Far East Branch participated extensively in a working group operating under the Exploitation Subcommittee on the standardization of Chinese Communist terminology.

12. Eastern Europe Branch has conducted a survey of its OGR and IR consumers to determine categories of information which can be labeled high priority, low priority, or marginal interest. The purpose of the survey was to narrow and sharpen reporting to assure maximum satisfaction of consumers with available manpower.

25X1A

13. [REDACTED] Deputy Chief, USSR Branch, attended, in an advisory capacity, several conferences of ORR personnel relative to a standardized handling of certain Russian terms.

25X1A 14. A current survey of the Soviet scientific periodical situation reveals that [REDACTED] titles are now received and an additional [REDACTED] are expected after January 1956. This compares with [REDACTED] titles available a year ago.
